### Notice of Non-Responsive Amendment

The amendment filed on 03/28/2005 and entered with the request for continued examination filed 05/26/2005, amended each independent claim to be drawn to a non-elected species. Applicant cannot, as a matter of right, file a request for continued examination as a means to obtain examination on non-elected claims, see MPEP §819. The presented claims are drawn to a non-elected species; therefore the amendment is considered non-responsive (MPEP § 821.03). The remaining claims are not readable on the elected invention because: The independent claims read on the non-elected species of Invention II. Claims 6-25, 55-57, and 65 now read on a previously unclaimed combination of the previously elected species of Invention II and the non-elected species of Invention II; and claims 48-53, 62 and 63 now read on a previously unclaimed combination the non-elected species of Inventions II and III.

Since the above-mentioned amendment appears to be a *bona fide* attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kathleen M. Christman whose telephone number is (571) 272-4435. The examiner can normally be reached on M-F 8:00-4:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Xuan Thai can be reached on (571) 272-7147. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
